Dublin, everything is bited

Marichka • Dublin, Ireland • 2023-10-21

I have only one photo with the whole chiabatta. We were so hungry, but it was totally our mistake to go to this place without a bite. The place is very popular and it was obviously packed during Saturday brunch. Anyway we had our prey (ciabatta and the best almond croissant in the world) and ate it outside.

Loved it. Hope to come again
